

**Policies to be implemented in all schools  
of the Saint Gabriel's Foundation, Thailand**

**Academic year 2018**

1. Our “**six year strategic Plan**” must be wholly and effectively implemented.
2. **Montfortian Education charter**” must be made known and implemented to all our staff.
3. “**Good Governance management**” must be focus and followed in accordance with our hand book.
4. Each school must have a “**succession Plan**” for the future.
5. “**Personnel Development Plan**” must be set and implemented for quality.
6. “**International standard**” must be our aim with concrete actions.
7. “**School's sustainable development**” must be our future aim.
8. “**Personalized Education**” should be done at all levels.
9. “**Robotics and STEM Education**” must be materialized effectively.
10. “**The approved yearly school budget**” must be strictly followed.
11. School extra expenditures must be taken from school's fundings.
12. School's regulations (Hand Book for teachers) must be known to all concerned.

Given on 6<sup>th</sup> May 2018

( Brother Surasit Sukchai )

The President of Saint Gabriel's Foundation

THAILAND
